Animal Liberation: A Personal View - CORE

Animal Liberation by Peter Singer, Page 162 . Singer ultimately makes the argument to go vegetarian (and in the updated version of the book, leans towards veganism). In becoming a vegetarian, we are taking personal responsibility for the effects of our choices and wielding our choices as a way to enact larger political change.

Peter Singer's "Animal Liberation": A Summary in 16 ...

"Animal Liberation" may sound more like a parody of other liberation movements than a serious objective. The idea of "The Rights of Animals" actually was once used to parody the case for women's rights.

What Is Animal Liberation? Philosopher Peter Singer's ...

My views on animal welfare were revolutionized by two factors at the end of high school: ... on issues besides animal liberation, many of my own views are very radical, but I try to keep my methods of activism moderate. ... My own personal perspective is that taking non-speciesist language overly seriously makes your cause appear unbearable to ...

My Personal Reactions to Confrontational Animal Activism

There may be no universally accepted answer. Instead, the answer will depend on personal beliefs: whether one believes that animals have moral status, and/or rights; whether we have obligations to animals in our care; whether we take a utilitarian, or a preference utilitarian, approach to the question.

The ethics of animal experimentation

In 'Animal Liberation' Peter Singer makes a strong moral case against speciesism, "a prejudice or attitude of bias in favor of the interests of members of one's own species and against those of members of other species".

Animal Liberation Front (ALF) Background and Goals

Peter Singers main argument in Animal Liberation is that humans current perception and treatment of animals is morally indefensible. He defends this view from multiple angles, and concludes that animals deserve equal consideration (which differs considerably from equal treatment) based solely on the fact that they can feel pain, and causing unnecessary pain is immoral.

W hen Animal Liberation was published, I hoped that, 40 years on, there would be no more slaughterhouses – and therefore no more newspaper stories about atrocities like the one at an abattoir in ...

The abuse of animals won't stop until we stop eating meat ...

The animal rights movement, sometimes called the animal liberation movement, animal personhood, or animal advocacy movement, is a social movement which seeks an end to the rigid moral and legal distinction drawn between human and non-human animals, an end to the status of animals as property, and an end to their use in the research, food, clothing, and entertainment industries.

Animal rights movement - Wikipedia

Voices For Animal Liberation explores how personal trauma, depression, dysfunction, and addiction foster insight into the trauma of animals trapped in human systems of abuse. Anyone familiar with the obstacles to obtaining and maintaining justice for marginalized human groups in mainstream society cannot be surprised at the difficulty of obtaining justice for other animal species.
