Bendix is known for its reliable line of single magnetos as well as dual magnetos. In which both aircraft magnetos are contained within a single housing. Due to their reputation and reliability, Bendix magnetos are used by aviators far and wide.

Bendix Magnetos
My PA-22-135 is nearing the end (hopefully) of an extensive annual inspection after sitting in the hangar for 5 years. The last hurdle seems to be the magnetos. My mechanic recommends that I replace both mags due to the magnet AD and high time. I find the model and part numbers on the mags to be a bit confusing, so I want to make absolutely sure I order the correct mags the first time.
