Oligarchy, according to them, is "a system of power relations that enables the concentration of wealth and authority and its collective defense" (p. 37). In this system, political power is controlled by a small number of very wealthy people who use their wealth-originated power to defend their interests and gain more financial benefits while ignoring the interests of the public.

**Oligarchy and democracy in
Indonesia - Northwestern Scholars**

Oligarchy - 'a form of power structure in which power effectively rests with a small segment of society distinguished by royalty, wealth, family ties, or military control. Such states are often controlled by a few prominent groups who pass their influence from one generation to the next.' For many of us who believe that India is a functional democracy - the largest democracy in the world ...
