Deco Divers (Miami Beach) - 2020 All You Need to Know ...

Deco for Divers by Mark Powell is one of the best diving books on the market and succeeds in making what is usually a very boring subject highly interesting. Most of what we learn about decompression theory is from manuals and courses but this book goes way beyond that and the usual 'Brooklyn Bridge Story'.

Equipping divers with top of the line scuba diving gear and accessories through our partnership with Egypt's Aqualung & Apeks distributor. Featured Trip There are no upcoming events at this time.

Deco Divers

Indeed, most tables published for scuba diving assume that any deco will be made on the same stuff that the diver was breathing while he was swimming about on the reef or around a wreck. However, most divers planning decompression today look for an additional safety edge by using pure oxygen or a nitrox mix to increase the efficiency of off-gassing.
