Howto: Step by Step Dreambox DM500S Setup Tutorial - WWW.DM500-S.COM

I tried to connect my DM500S to the internet. Following the instructions on the User Manual, I went to "expert setup/communication setup" menu selection. In trying to set up the network configuration, under the "Type" field I only have LAN as an option although the manual clearly stated that I should also see a WAN option.
