The ranger was complete out of left field for me as I when I think ranger I think elf. I also like the different cavalry mount if you think about it, it makes more sense than a boar or ram. I'm look forward the the Elf Warfare book in this series and hope Mr. Pramas makes a Warfare book on Centaurs.

To defeat your enemy, you must understand him. This volume offers an indispensable analysis of the most vicious killers of all - orcs. Born and bred for war, they are an awful, brutish, violent species and, despite their constant infighting and backstabbing, their horde armies remain a dire threat to all races.
