Entrepreneurial Cuba The Changing Policy

Rich in its analysis, [Entrepreneurial Cuba] is balanced and comprehensive.... a must-read for those interested in the country's current situation. Its publication is timely not only for what it reveals regarding the country's economic, social, and political situation but also for its insights regarding the country's future evolution.

Entrepreneurial Cuba: The Changing Policy Landscape ...

After reviewing the evolution of policy since 1959, the authors contrast the approaches of Fidel and Raúl Castro and explore in depth the responses of Cuban entrepreneurs to the new environment. Their work, rich in ethnographic research and extensive interviews, provides a revealing analysis of Cuba's fledgling private sector.

Rich in its analysis, [Entrepreneurial Cuba] is balanced and comprehensive.... a must-read for those interested in the country's current situation. Its publication is timely not only for what it reveals regarding the country's economic, social, and political situation but also for its insights regarding the country's future evolution.

Entrepreneurial Cuba: The Changing Policy Landscape by

...

In Entrepreneurial Cuba, two veteran Cuba watchers, the social scientists Ritter and Henken, interview many of these new business owners, detail the regulations governing their activities, and calculate the effective tax rates they pay. Particularly valuable are the chapters on the remaining underground economy—businesses not yet able or willing to come out of the shadows—and the contributors' judicious assessments of the new regulations governing the still forming but promising worker

...

Entrepreneurial Cuba: The Changing Policy Landscape ...

Most impressive is the capacity of Cuban entrepreneurs to adapt to a policy regime constantly shifting between encouraging and constraining their activities. Commendable, too, is the authors' balanced approach regarding the Cuban political environment and how it relates to the non-state sector.

| BOOK REVIEW, ENTREPRENEURIAL CUBA: THE CHANGING POLICY ...

While assessing post-1990 changes, Entrepreneurial Cuba also generated a systematic examination of the evolution of the self-employment sector in the early decades of the revolution in light of shifting ideological, political, and economic motivations.

Likewise, the contextual setting is enhanced by placing Cuban self-employment within the broader global informal economy framework, particularly in Latin America, and by assessing the overall features of the second economy in socialist ...
