VW Composition Media system green hidden menu

Hello everyone, I own a VW Golf MK7 with the Discover Pro media system. Recently I found a copy of the update package for it, and dabbling inside I found out a ton of cool info. It's based on a Tegra 2 platform, and runs ONX 1.2b. There seems to be a way to telnet to the system somehow. Inside the files I found a ton of stuff, like what seems to be the user and root passwords.
