**Howard Marks Book**  
Howard Marks is a value investing genius, with an astounding track record of ~20% p.a. returns for 25+ years. Therefore, I'm happy to read anything he is willing to share. In this book, he shares deeply thoughtful insights, but in a somewhat dry, unengaging and repetitive text. Overall a must read, but don't expect an excellent literary experience.

**Most Important Thing, The: Howard Marks, John FitzGibbon ...**
