As humans mature, the libido, or sex drive, emerges. The libido is checked by the interplay between an individual's id, ego, and superego. Healthy development of the id, ego, and superego occurs early in life, so that early experiences are critical for future adult behavior. Troubling or. Juvenile Delinquency 79.

### Juvenile Delinquency - SAGE Publications Inc

The topic of juvenile delinquency is a fertile area for construction of sociological theory. Three major sociological traditions, including structural functionalism, symbolic interactionism, and conflict theory, contribute to the explanation of delinquency. Much of the work in this area seeks to explain why officially recorded delinquency is concentrated in the lower class, or in what is today more often called the underclass.
