Time Life added music in 1967, selling box sets and collections through Time-Life Records. During the 1960s and 1970s, the collections released by Time-Life Records catered to a conservative adult audience, with genres including classical, jazz, swing and orchestral music; and the music of operas and Broadway theatre.

I wish I'd started it 20 years earlier. Sometimes I think that if I could live my life again, at age 18 I'd go straight into nursing school (at Hunter College; this is a very specific daydream). But then I catch myself—I wouldn't be the nurse I am if I hadn't spent four formative years as an ambitious-but-undistinguished history student.
