intended body may have been altered by our circumstances or by our behaviors but, with His help, we can restore our bodies to the level of health and vitality He planned for us.

The Body God Designed: How to love the body you've got

...

Then man became a living soul. Human beings are different from animals, for ' God created man in his own image ' (Genesis 1:27). Our bodies have been designed with the ability to pass on to the next generation the programmed information required to form another person from simple chemicals. The control centre of the human body is the human brain.

Himself. " So God created man in His own image, in the image of God created He him, male and female created He them " (Genesis 1:27).

The Human Body—God's Masterpiece | Kids Answers

Spirit, Soul and Body - How God Designed Us Tripartite or Bipartite One way to view our nature is that we have a material part, our body , and an immaterial part, our soul and/or spirit .

Spirit, Soul and Body - How God Designed Us

Human beings have a physical body because God created them to be embodied (Allison 2009). God created man in His own image, after His likeness (Genesis 1:26-27, 5:1). Created in God's image, men and women possess rationality, morality, spirituality, and the capacity to relate to God and other human beings (Dockery 2002).

own it, God does. He created my body, and He expects me to use it the way He intended for it to be used. Now we naturally rebel against this idea. Our culture teaches us, "My body is mine to do whatever I want to with it." But God says, "No, you're wrong.

What Does God Say About Your Body? - FaithGateway

And what you sow is not the body that is to be, but a bare kernel, perhaps of wheat or of some other grain. But God gives it a body as he has chosen, and to each kind of seed its own body. For not all flesh is the same, but there is one kind for humans, another for animals, another for birds, and another for fish.
