review.

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

List of North, Central, South American Countries with Languages, Nationalities and Flags Do you often stumble over the names of countries and nationalities? It's no wonder. These don't really follow a pattern, and the ...
